Women in the Sources:

0 of 0 review helpful Great Resource By Customer Great resource for budding women s historians The contributors of Contesting Archives challenge the assumption that an archive is a neutral immutable and a historical repository of information Instead these historians view it as a place where decisions are made about whose documents and therefore whose history is important Contesting Archives makes vivid and concrete the way historians must proceed when faced with partial or contradictory sources Historians and anyone interested in how historians work will appreciate the authors strategies for and cautions about unearthing
