By David McKitterick : The Making of the Wren Library: Trinity College, Cambridge the colleges at the university of cambridge were originally an incidental feature of the system no college is as old as the university itself established in 1546 by henry viii trinity college was created by the merger of several older colleges including michaelhouse and kings hall The Making of the Wren Library: Trinity College, Cambridge:

The Library at Trinity College designed by Sir Christopher Wren and completed in 1695 is known all over the world for its books its architecture and its sculpture Each of these aspects is authoritatively examined in this volume as David McKitterick Howard Colvin and Malcolm Baker explore the ways in which seventeenth century ideas were modified

and extended until by the early nineteenth century the Library had achieved the coherent appearance that it has today
The
