By LEONHARDT : GENRE & ETHNIC COLLECTIONS VOLUME 38AB (Foundations in Library & Information Science)

GENRE & ETHNIC COLLECTIONS VOLUME 38AB (Foundations in Library & Information Science):

This is an exploration of the richness inherent in genre and ethnic collections. The contributors were asked to provide an overview of their topic, its relevance to library collections, and suggestions about how collections might proceed. In addition, attention was paid to the needs of individual collectors, many of whose collections have also enriched libraries. The editors hope that this volume will contribute to a greater understanding of why it is important to collect.
