In recent years the commercial value of moving images for use in new film and television productions has increased

enormously and gifts of moving images to cultural institutions have developed significant taxation implications As a result contentious issues on the monetary appraisal of moving images has added to the burden of moving image archivists Written by an archivist with forty years of experience in England the United States and Canada Apprai a groundbreaking work in many ways Both moving image and non moving image archivists should heed this piece of wisdom and for those who make irrevocable decisions about what moving images will be saved for posterity keep this little book very close at
