By Sharon McQueen : In-House Book Binding and Repair book repair manual robert j milevski outline section 1 book structure and book problems introduction book structure and construction book problems bookbind specializes in binding for jehovahs witnesses also find leather slip on covers meeting bags service organizers tablet holders and more In-House Book Binding and Repair:

7 of 7 review helpful Very thorough By A Elliott This book has very thorough and detailed instructions for book assembly and repair I was hoping for a book geared more toward someone who doesn t have or can afford the very

specialized equipment required to do a lot of the repairs described That s okay though because the information contained in it is very instructive and there is some information I can use that wo In House Bookbinding and Repair is a working document that contains information on setting up both a basic bookbindery and repair lab i e the design equipment tools and supplies needed and instructions on rebinding and repairing cloth bound books Highly illustrated to greater enhance its usefulness this manual also covers various aspects of book repair and conservation and contains appendixes on manufacturers and suppliers of materials and products discussed in An excellent introduction to the topic it is a useful practical bookbinding repair lab manual highly recommended Collection Building Vol 26 No 2 Although some book repair projects may come with the warning Don t try this at hom
