By Elizabeth H. Dow : Archivists, Collectors, Dealers, and Replevin: Case Studies on Private Ownership of Public Documents Archivists, Collectors, Dealers, and Replevin: Case Studies on Private Ownership of Public Documents:

Today government archivists and manuscript collectors are often in conflict over government created documents that come up for sale out of private hands Such manuscripts are often archival material that escaped government control and government archivists want that missing material back to complete the historic record Collectors and dealers however assert that since the government didn't take care of their documents properly at the time of t This is valuable to any archival collection where public documents are maintained acquired and sought out Future archival students will also benefit from the unbiased approach respecting all sides of the situation American Re
