**By Joanne Schneider Hill, William E. Hannaford : Collection Development in College Libraries** the case study method of teaching applied to college science teaching from the national center for case study teaching in science links to information about the st olaf college libraries Collection Development in College Libraries:

Collection Development is a compilation of 20 papers that explore the assumption that mission affects policy To what extent do the unique features and mission of the small college library create distinctive concerns for it The papers presented here demonstrate an alternative to the assumption that what works in large university libraries will also work in small ones The focus is on the heart of the library its collections and the special ways in which these collec
