By Lynda M. Duke, Andrew D. Asher : College Libraries and Student Culture: What We Now Know the college of charleston is a nationally recognized public liberal arts and sciences university founded in 1770 the college is among the nations top the oldest public university in texas this flagship university provides the best return on investment among texass public schools with almost 400 degrees College Libraries and Student Culture: What We

Now Know:

How do college students really conduct research for classroom assignments In 2008 five large Illinois universities were awarded a Library Services and Technology Act Grant to try to answer that question The resulting ongoing study has already yielded some eye opening results The findings suggest changes ranging from simple adjustments in service and resources to modifying the physical layout of the library In this book Duke and Asher two anthropological researchers From Booklist Academic librarian Duke and anthropologist Asher have assembled a well organized and insightful work that reveals how academic libraries are viewed and utilized The findings are the result of a two
