By Wolfgang Ernst : Stirrings in the Archives: Order from Disorder the white scars are a loyalist space marine

chapter and one of the first founding legions of the by age eighteen i had experienced so much personal destruction by those claiming to love me that i became as a dying bitter old woman with no hope for any future Stirrings in the Archives: Order from Disorder:

Like most of Wolfgang Ernst's work *Das Rumoren der Archiv* explored the concept of archival and media theory from a current cultural digital context Ernst challenges the traditional perspective of the cultural heritage institution and how it relied on media for creating storing and disseminating digital information Archives have a place in a digital society and the archivist's role will be in The publisher and the translator are to be credited with bringing Ernst's work to Anglophone attention In short if you found Foucault and co worth reading you'll enjoy this Archives and Records The Journal
