0 of 0 review helpful Five Stars By Barbara Potts Very interesting and informative If you are interested in embedding

into classes on campus this is a must read Information literacy instruction is best when it is integrated into actual research and in higher education that means embedding librarianship into the learning management system LMS This new How To Do It Manual is geared towards academic librarians already working with classes in an LMS as well as those considering how to begin a pilot Tumbleson and Burke who surveyed 280 librarians for information on related activities also use their own first hand experience in About the Author Beth E Tumbleson is Assistant Director of the Gardner Harvey Library on the Middletown regional campus of Miami University Ohio nbsp John J Burke is the Director of the Gardner Harvey Library and a past president of the Acade
