By Robert D. Stueart, Barbara B. Moran : Library and Information Center Management (Library Science Text) library and information center management part 3 robert d stueart barbara b moran snippet view 1993 library and information science text series download and read library and information center management library information science text word after dying owners manual 2000 Library and Information Center Management (Library Science Text):

1 of 1 review helpful A whole chapter is missing several chapters are printed twice By miss abby library I purchased this title for a graduate MLIS course Unfortunately for me mine seems to be the only copy in the world that is defective The text runs fine until page 300 where it abruptly skips all of chapter 13 jumping to page 333 Then it runs along fine again until page 364 where it again jumps back to page 333 F This internationally acclaimed text serves as the basic management text in programs of library and information studies throughout the world It is also used as a ready reference and for workshop discussions in all types of libraries and information centers As with previous

editions the authors present the principles of library and information center management in a conceptual framework as it examines the dynamics of organizational missions goals policies and progr From Booklist Any textbook that reaches its sixth edition has achieved classic status Stueart was a longtime professor and dean at Simmons College Moran has been a professor and dean at the University of North C
