By Peter Hernon, Joan Giesecke, Camila A. Alire : Academic Librarians as Emotionally Intelligent Leaders the inventor of the concept of emotional intelligence explains how the idea can be built into the culture of universities

indian education let us put our minds together and see what life we can make for our children sitting bull Academic Librarians as Emotionally Intelligent Leaders:

Emotional intelligence EI as based on the work of Daniel Goleman and his colleagues has received a lot of attention in the Harvard Business Review and elsewhere as a leadership theory It is composed of five domains Knowing your emotions Managing your emotions Motivating yourself Recognizing and understanding other people s emotions and Managing relationships managing the emotions of others Its practitioners become particularly adept at managing th
