By Joseph R. Matthews : Library Assessment in Higher Education, 2nd Edition ignite excitement among your science students with learning resources that bring chemistry to life building the capacity of tomorrows higher ed leaders academic impressions higher education training connects people ideas and solutions we are a trusted Library Assessment in Higher Education, 2nd Edition:

Written specifically to address the library's role in education this book provides guidance on performing assessment at academic institutions that will serve to improve teaching effectiveness and prove your library's impact on student learning outcomes and thereby demonstrate your library's value. It demonstrates the critical nature of assessment in academic libraries in the 21st century. It identifies and discusses in detail effective assessment. The book provides any academic librarians with up to date and practical information that is valuable for planning and implementing library assessment. It should prove appropriate and a must have for all assessment librarians in an academic setting. The book will
