By Alice Crawford : New Directions for Academic Liaison Librarians (Chandos Information Professional Series) New Directions for Academic Liaison Librarians (Chandos Information Professional Series):

Aimed at practitioners and students of librarianship this book is about interesting and unusual practical projects currently being run by academic liaison librarians It shows how liaison librarians can extend their roles beyond the established one of information literacy teaching and showcases areas in which they can engage in collaborative ventures with academic and administrative staff Designed to excite and inspire New Directions for Academic Liaison Librarians de Whilst not advocating the abandonment of information literacy or any of the other essentials in the librarian rsquo s toolkit the book actively promotes the development and extension of new skills to engage in a more collaborative way with the academic c
