(Chandos Information Professional Series) professional library sources library science information for professional reference librarians and volunteers assisting genealogists family historians and local full text access to articles conference proceedings and ebooks related to petroleum geology including structural geology organic petrology and sedimentary research Open Access and its Practical Impact on the Work of Academic Librarians: Collection Development, Public Services, and the Library and Information ... (Chandos Information Professional Series):

This book is aimed at the practicing academic librarian especially those working on the front lines of reference instruction collection development and other capacities that involve dealing directly with library patrons in a time of changing scholarly communication paradigms The book looks at open access from the perspective of a practicing academic librarian and challenges fellow librarians to continue the dialogue about how the movement might be affected
