By Stephen Harries : Records Management and Knowledge Mobilisation: A Handbook for Regulation, Innovation and Transformation (Chandos Information Professional Series) Records Management and Knowledge Mobilisation: A Handbook for Regulation, Innovation and Transformation (Chandos Information Professional Series):

This book argues that records management can contribute to public sector reform and transformation in the new climate of austerity without losing its essential characteristics Over the last 15 years records management has prospered tackling problems of electronic information and building a strong case for information governance based on a model of regulation and management control The public sector environment is now changing rapidly with more emphasis on efficiency This publication is of interest for its analysis of public sector transformation particularly in the UK but also elsewhere While likely to be of immediate applicability to those in government this book contains insights on taking a strategic approach to
