By Michael Piggott : Archives and Societal Provenance: Australian Essays (Chandos Information Professional Series) Archives and Societal Provenance: Australian Essays (Chandos Information Professional Series):

Records and archival arrangements in Australia are globally relevant because Australia's indigenous people represent the oldest living culture in the world and because modern Australia is an ex colonial society now heavily multicultural in outlook Archives and Societal Provenance explores this distinctiveness using the theoretical concept of societal provenance as propounded by Canadian archival scholars led by Dr Tom Nesmith The book's seventeen essays bl Complex unorthodox and sometimes radical ideas are discussed and explored in ways that are accessible frequently entertaining often humorous but always provocative Archives and Records August 1 2014 The enjoyment and the impact comes
