Movement (Chandos Information Professional Series):

What would a synthetic theory of Digital Media and Information Literacy DMIL look like Radical Information
Literacy presents for the first time a theory of DMIL that synthesises the diversity of perspectives and positions on
DMIL both in the classroom and the workplace and within the informal learning processes of society This title is
based on original analysis of how decisions are made about the relevance of information and the other resources used
in l About the Author Andrew Whitworth is Senior Lecturer in the School of Education at the University of
Manchester and Programme Director of the MA Digital Technologies Communication and Education He has written
many chapters and articles on DMIL and was
