By Mary Clapinson : A Brief History of the Bodleian Library the combined collections of the bodleian libraries number more than 11 million printed items in addition to 50000 e journals and vast quantities of materials in childrens

literature may be a modern genre but there is a long history of writing for children with some surprisingly unchanging elements A Brief History of the Bodleian Library:

The University of Oxford's Bodleian Library has become one of the most celebrated libraries in the world boasting a collection of nearly twelve million books and manuscripts and a fascinating history that spans more than four hundred years A Brief History of the Bodleian Library takes readers through the Library's history from its founding in 1602 by Sir Thomas Bodley to 'This Brief History is a book it would be very difficult to fault and one likely to become indispensable to researchers students and general readers requiring an accurate very informative and fairly short account of the first four hundred
