This fully updated version of the CILIP endorsed guidelines for secondary school libraries addresses the changing schools landscape and impact of technological changes of recent years. Covering every aspect of providing a school library service from information literacy and reader development to budgeting management and partnerships, these guidelines will empower school libraries to improve upon and advocate for their services. Focusing on the librarian at the heart of it, both rigorous and relevant in its detail and straightforward and well organized in its methodology. It is specifically focused on the secondary school library scene and delivers deep knowledge of the context of this framework offering contemporary strategic
