documenting feminist and queer activism in the 21st century Make Your Own History: Documenting Feminist and Queer Activism in the 21st Century:

Documenting Feminist Activism addresses the practical and theoretical challenges and advantages of researching documenting and archiving recent and contemporary activists in the feminist and queer movements In the last few decades the place and practice of activism has shifted from a physical headquarters where activists convene to plan and strategize to the reality where planning happens at various desks and kitchen tables across the country or world and activi
