From Frank & Timme GmbH : From Codicology to Technology. Islamic Manuscripts and Their Place in Scholarship spotting ripples and trends in the middle east history from greek historia meaning quot;inquiry knowledge acquired by investigationquot; is the study of the past as it is described in written documents From Codicology to Technology. Islamic Manuscripts and Their Place in Scholarship:

Islamic manuscripts are voices from the past revealing scholarly debates and networks as well as aspects of daily life. They allow us to witness the transmission of knowledge and economic and cultural exchanges of centuries gone by. The present articles mirror this variety of aspects involved when dealing with Islamic manuscripts and emphasize their importance as sources for our knowledge of history. The articles cover research on single manuscripts as well as collec
