By M. Biswal : Inflation and Its Impact on Collection Development in Libraries- 2 Volumes introduction this guide describes the manuscript collections containing materials for civil war research in the special collections department of the university archives and past articles from the philadelphia inquirer philadelphia daily news and philly Inflation and Its Impact on Collection Development in Libraries- 2 Volumes:

Collection is the pivot around which all the activities of the library revolve The library which possesses adequate and well balanced collections based on the current academic research and future demands can withstand the onslaught of the more pin pointed needs of the user community it serves Quality of collection may enhances or mar the image of university library Thus university libraries are playing an important role in collection development of documents he
